The competition will normally take place at Easter each year.

1. Teams consist of four (male) members who are under **20** years of age on 1st January of the year of the competition.
2. The individual maximum handicap limit is **18** with a maximum combined handicap of **36**.
3. Matches will be played off current handicap. Half the differential of combined handicap will apply.
4. Play shall be by foursomes match play over a full 18 holes and the full round should be played unless by agreement between the 2 teams. The aggregate of holes up to decide the winner.
5. In the event of a tie, the second pair shall play sudden death match play.
6. The use of an approved ball is mandatory.
7. No professional golfer, nor any person whose age exceeds the age limit for this event may act as caddy.
8. There will be two venues selected as qualifying rounds on a rota basis. Eight clubs will play at each venue with the first and second round taking place on the same day. The two qualifying clubs from each venue go forward to the semi finals.
9. **The semi finals and final will take place on the same day at a neutral venue to be decided by the Organising Committee.**
10. No person, other than their playing partner or caddy, may give advice or help to a player.

Players with Disabilities

The committee has adopted the 'Modified Rules of Golf for Players with Disabilities' so that players with disabilities can play fairly with players who have no disabilities. In particular this modifies the competition rules with regard to both caddies and advice and assistance.
